Sheila,

Good morning. I hope you are doing well. On behalf of Dan, I am checking back in with you to see if PLP provided a response back to the RFI? Our understanding was that you were going to receive their response on Thursday, April 29th and then send those out on Friday, April 30th? Also, we wanted to check in to see if you are still on schedule to provide the next set of documents (showing a revised matrix (lumping of the subparts) showing minimization) for us to review prior to the meeting on the 14th?

Thanks
